INTRODUCING OUTDOOR VENUE DE ZEGEN

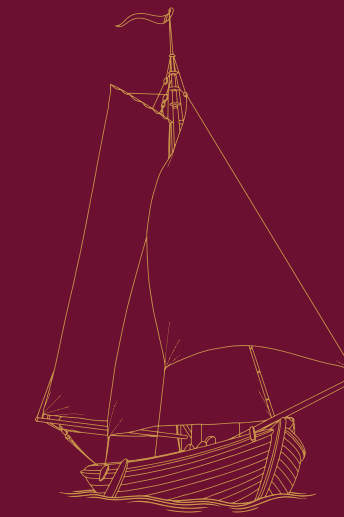

OUTDOOR VENUE DE ZEGEN

Nestled among lush greenery and directly by the water, Outdoor Venue De Zegen is an atmospheric event location where nature, tranquillity and hospitality come together. De Zegen is named after the traditional Dutch fishing technique in which a large seine net was slowly pulled ashore – a symbol of connection and success. It is this same atmosphere that makes every gathering at this unique venue so special.

Beneath the elegant beige stretch tent, you can effortlessly host an inspiring presentation, business meeting, networking event or informal outdoor gathering. Surrounded by nature and set in a unique waterfront location, De Zegen provides the perfect backdrop for memorable events.

Complete your event with a friendly game of jeu de boules on the adjacent court. The perfect way to unwind and connect with colleagues and guests in this exceptional outdoor setting.
